Re Farsteel Metals

* mixed waste releases.

- mining waste subtitle D plus program
Rob Wallace Reg. 8.

EPA mining waste Coordinator
Current.

- Potential for RCRA,

- Dr. past (not not changed)

- If OK delegated ^(NRC) waste is
mixed with Superfund waste (list

- If OK not delegated would
not list - NRC has all
authority necessary to
treat problem (only licensed waste)

- Are ~~we~~ ~~not~~ hazardous
waste.

- Mining waste issues are
pertinent - way complicate matter
based on mining waste policy.

→ 1) Has NRC delegated

2) Are waste commingled?

Are radioactive substances
found among Superfund substances
(in some surface shipments)
